In this regard, the Committee of Language and Terminology by the Government of the Republic of Tajikistan notifies the responsible persons who publish materials on the Tajik part of the "Wikipedia" website about the issues, and suggests them to correct all the spelling errors for Tajik Language on the website.

The Committee of Language and Terminology recommends professional volunteers working for Wikipedia" to improve the quality of their articles and fix repeated errors by the use of special program "AutoWikiBrowser" or "WPCleaner" program and cooperate with technical specialists from "Wikipedia Typo Team". You can also to facilitate the solution of this problem by preparing a software robot (bot) and run it through the Tajik part of the Wikipedia website to resolve all spelling issues.
